

**A3|S3**

**The new Audi A3.**  
Further ahead.

A dark-colored Audi A3 Sportback is shown from the rear right side, driving on a road. The background features a city skyline with a prominent bridge structure, all under a bright, hazy sky. The overall aesthetic is clean and modern.

## **The basic idea: functionality made beautiful.**

Progressive design that speaks a unique language. Innovative technologies that emphasise dynamism and efficiency. And an interior that impressively combines aesthetics with intuitive functionality. Our lead can be discovered in many facets. In the new Audi A3 Sportback.

A dark grey Audi A3 Sportback is shown in profile, parked on a paved surface. The car is positioned in front of a modern building with a large glass facade that reflects the sky and surrounding environment. In the background, a body of water is visible under a clear sky. The car's design features a prominent 'tornado line' along the window edge and a dynamic line above the sills, as mentioned in the text.

## Striking and muscular.

The slim side of the new Audi A3 Sportback is defined by the striking tornado line along the edge of the window and the dynamic line above the sills. Taut yet sculpted areas where light meets shadow give the vehicle a compact and muscular look.

## One touch faster.

Quicker gear changes made simple. Thanks to the optional S tronic 7-speed dual-clutch transmission with virtually no break in propulsive power. And even greater individual driving dynamics thanks to Audi drive select and suspension with damper control.

A large, dark shadow of a car is cast onto a light-colored concrete wall. The shadow is positioned on the left side of the wall, extending towards the center. In the background, a modern, multi-story building with balconies is visible under a clear sky. The overall scene is brightly lit, suggesting a sunny day.

## **Sedan redefined.**

Dynamic contours. Taut muscular areas. Coupé-like lightness. The new Audi A3 Sedan casts a progressive light on the term sedan. Sporty through and through. Elegant and confident. Ready to rediscover the world.

Power exuded by the singleframe with double chrome struts. Aerodynamic air inlets. Full-LED headlights with dynamic indicators at the rear as standard, and optional Matrix LED headlights. Perfectly integrated into the three-dimensional body line. Adding to that a striking trailing edge and elegantly rising rear lights.

A new perspective: compact sedan with coupé character. Wide and low. Precise lines, emphasis on three-dimensional design. The low, flowing line of the roof dome conveys pure dynamism. Strongly accentuated wings with shaped wheel arches frame the optional up to 19-inch cast aluminium wheels.

## Inspiring freedom.

Fascination at first sight. Deep lines. Dynamic proportions. Combined in elegant lightness. With fully automatic cloth hood as standard and acoustic hood on request. The new Audi A3 Cabriolet. Sporty. Inspiring. Open for new ideas. And boundless freedom.

New perspectives. Infinitely thrilling. Opened up by the standard fully automatic cloth hood. Even while driving at speeds of up to 50 km/h. Particularly quiet with the optional high-quality acoustic hood. Or all about sound. With the optional Bang & Olufsen Sound System with 13 loudspeakers and a total output of 625 watts.

**The new Audi S3.**  
A faster thrill.

## Ahead as standard.

More power, more sportiness, more driving enjoyment. Everything your athlete's heart desires. Brought to the road with an exceptional vehicle: the new Audi S3 Sportback. Your personal starting point that will put you further ahead from the word go.

## Pure sportiness.

Exterior mirrors in aluminium look. Singleframe with S emblem and double chrome struts. On the new Audi S3 Sportback the details alone point to pure sportiness. The same goes for the side sills that impressively emphasise the shape and lines of the front and rear aprons.

Striking rear diffuser with an S-specific dual-branch exhaust system. Two oval tailpipe trims right and left accentuate the vehicle's impressive width. On request with fascinating 19-inch cast aluminium wheels. In addition, the distinctive roof edge spoiler makes the Audi S3 hug the road even more.

## The sedan with the S factor.

More powerful. Sportier. Fascinating at first sight. With a unique design. S-typical. Rear diffuser and dual-branch exhaust system. Oval exhaust tailpipes. An appearance that raises expectations. And satisfies them. Inspirational. The new Audi S3 Sedan.

## S for stability.

The quattro drive confidently distributes power to all four wheels, and promises excellent directional stability and improved traction. In addition, thanks to Audi drive select you can adjust the character of your vehicle to match your own driving style. Aided by the optional Audi magnetic ride – dynamics or a sporty yet comfortable ride.

# Technology to the next level. New exterior highlights.

## Audi A3 Sportback

### Dimensions in millimetres.

Dimensions measured with vehicle at unladen weight.

Luggage compartment volume: 380 / 1,220 l (measured by the VDA method using 200 x 100 x 50 mm blocks).

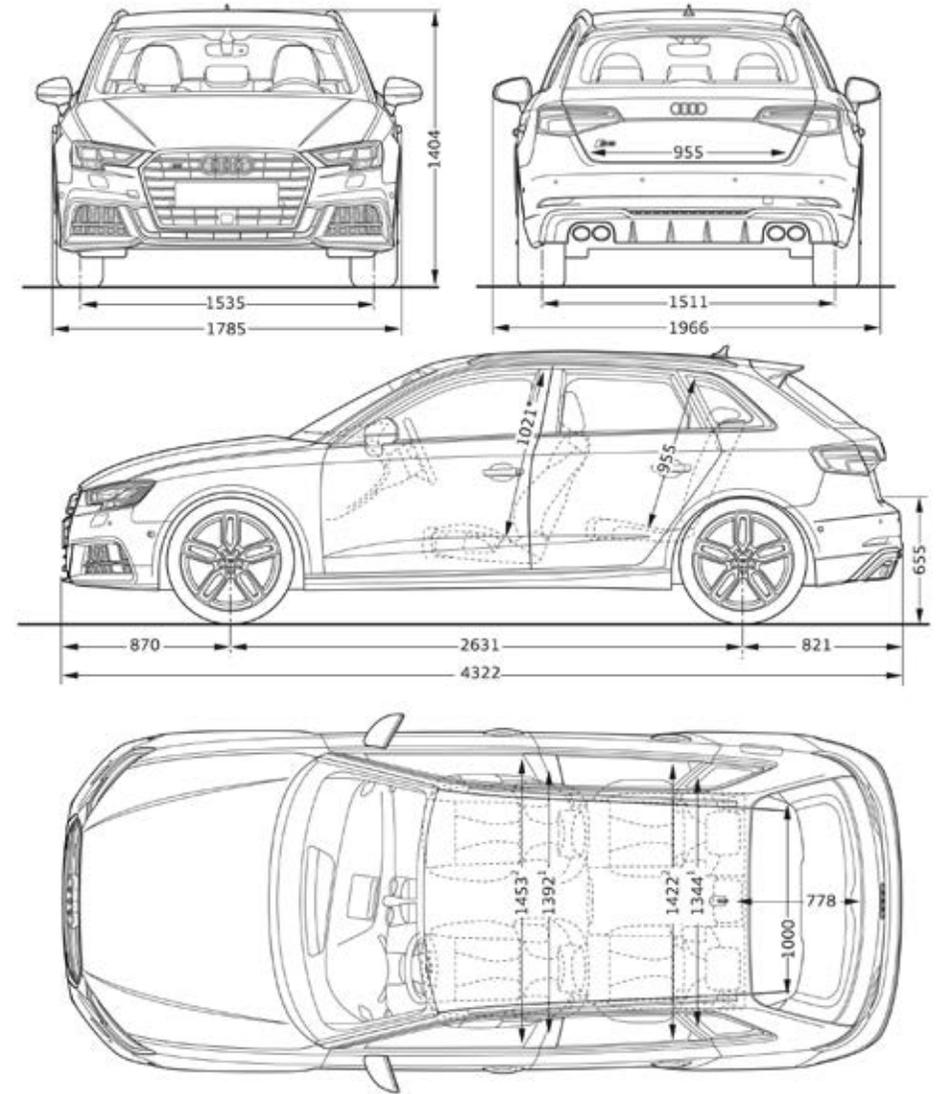

Turning circle approx. 10.9 m.

\* Maximum headroom.

<sup>1</sup>Elbow room width.

<sup>2</sup>Shoulder room width.

## Audi S3 Sportback

### Dimensions in millimetres.

Dimensions measured with vehicle at unladen weight.

Luggage compartment volume: 340 / 1,180 l (measured by the VDA method using 200 x 100 x 50 mm blocks).

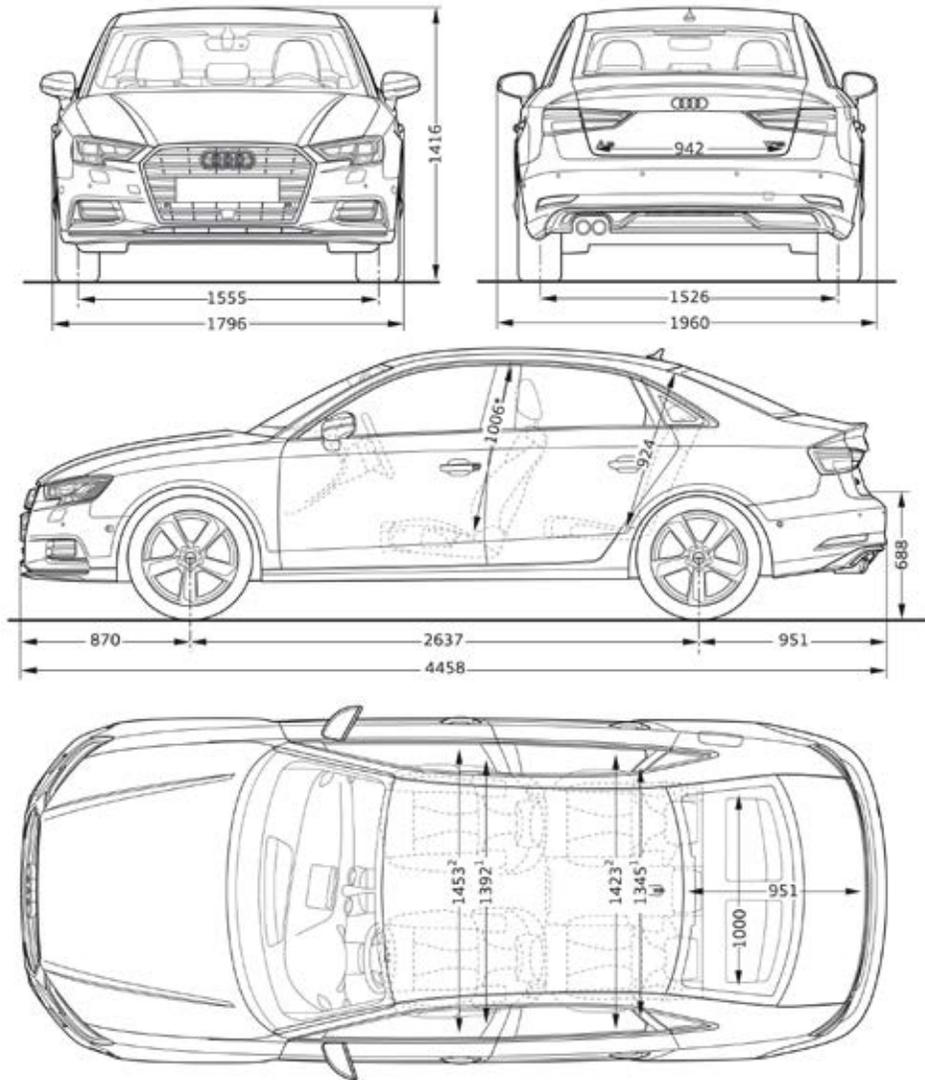

Turning circle approx. 10.9 m.

\* Maximum headroom.

<sup>1</sup>Elbow room width.

<sup>2</sup>Shoulder room width.

## Audi A3 Sedan

### Dimensions in millimetres.

Dimensions measured with vehicle at unladen weight.

Luggage compartment volume: 425 / 880 l (measured by the VDA method using 200 x 100 x 50 mm blocks).

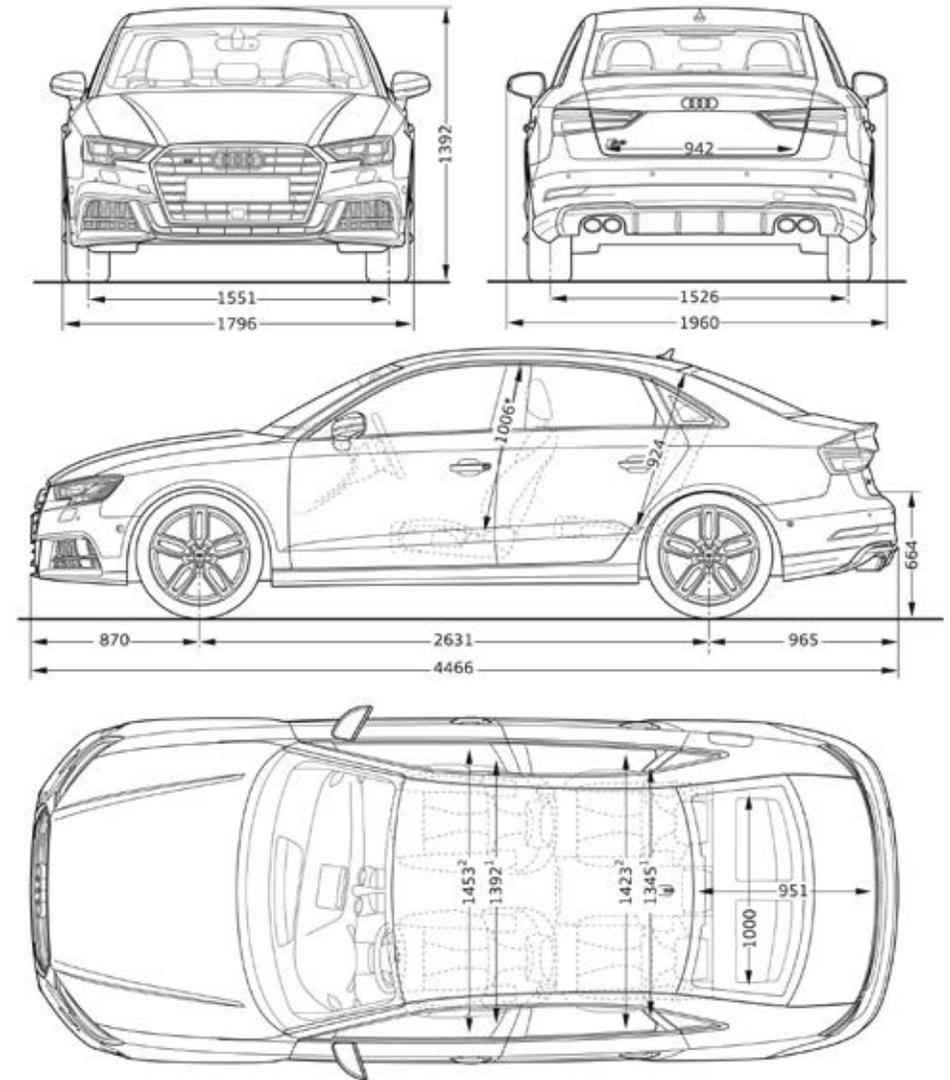

Turning circle approx. 11.0 m.

\* Maximum headroom.

<sup>1</sup>Elbow room width.

<sup>2</sup>Shoulder room width.

## Audi S3 Sedan

### Dimensions in millimetres.

Dimensions measured with vehicle at unladen weight.

Luggage compartment volume: 390 / 845 l (measured by the VDA method using 200 x 100 x 50 mm blocks).

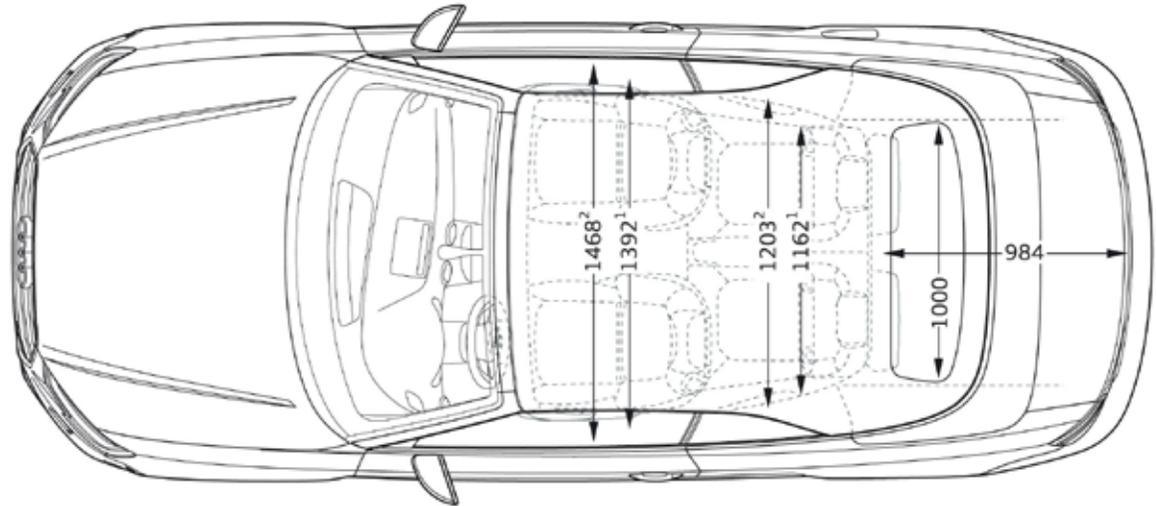

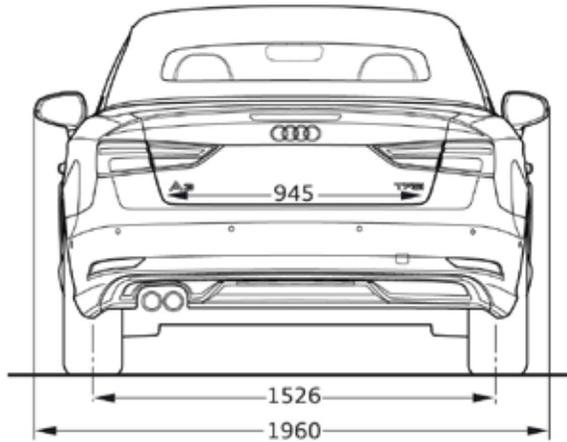

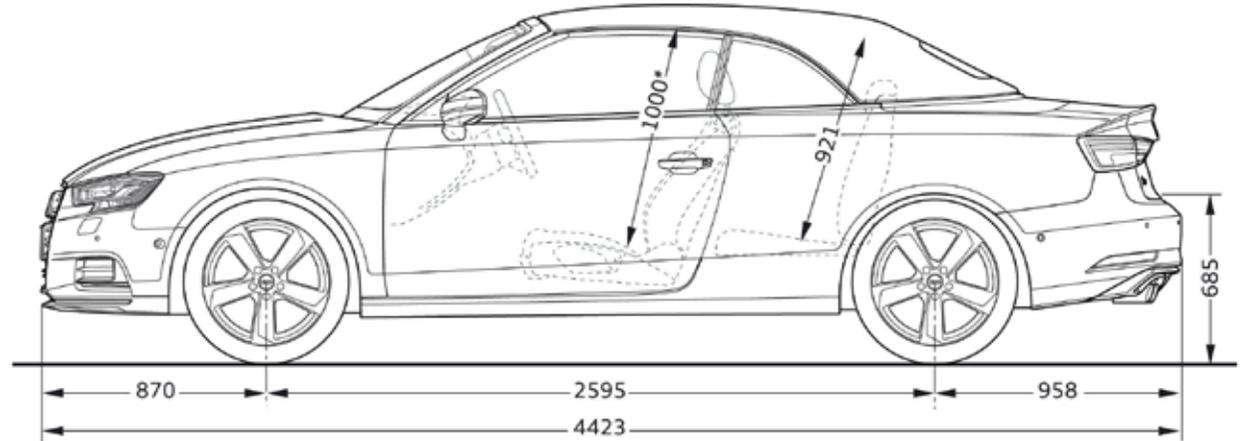

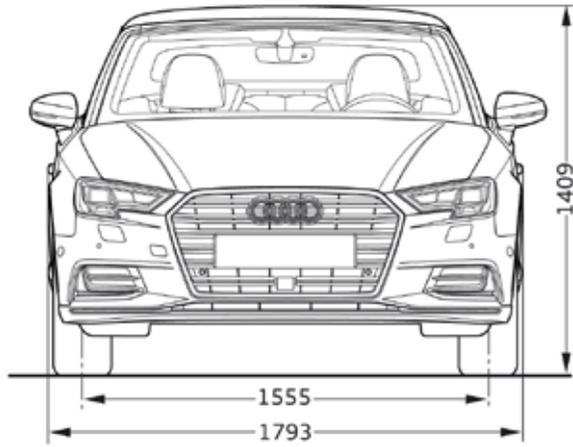

Turning circle approx. 11.0 m.

\* Maximum headroom.

<sup>1</sup>Elbow room width.

<sup>2</sup>Shoulder room width.

## Audi A3 Cabriolet

### Dimensions in millimetres.

Dimensions measured with vehicle at unladen weight.

Luggage compartment volume: 320 / 245 / 680 l (hood closed / open / with seat backrest folded down) (measured by the VDA method using 200 x 100 x 50 mm blocks). Turning circle approx. 11.6 m.

\* Maximum headroom.

<sup>1</sup>Elbow room width.

<sup>2</sup>Shoulder room width.
