

The models and equipment versions illustrated and described in this brochure and some of the services listed are not available in all countries. Some of the cars illustrated are equipped with optional features for which an extra charge is made. Details concerning the delivery specifications, appearance, performance, dimensions and weights, fuel consumption and running costs of the vehicle were correct to the best of our knowledge at the time of going to press. Deviations from the colours and shapes shown in the illustrations may occur. No liability is accepted for errors and printing errors.

A4 | S4
Sedan | Avant

You drive this.

You feel that.

Design and technology lead the way. Sporty and pioneering. United in the new Audi A4 Sedan and the new Audi A4 Avant. See for yourself.

Progressive design -

clear surfaces, sharp lines, distinctive style.

The powerful-looking front end, the three-dimensional Singleframe and the sporty, elegant design. The Audi A4 Sedan and the Audi A4 Avant: exciting, inspiring, captivating.

The new Audi A4 Sedan and Audi A4 Avant with a new design language. Empathically sporty. Strikingly staged. By the straight roofline and the crisp, all-round shoulder line with gently tapering shadow edge.

Audi Matrix LED headlights -

see and be seen.

A shining example of progressiveness: the crystal-like light from the optional Matrix LED headlights casts a bright, uniform light across the road.

New TFSI engines - breathtaking performance, lower fuel consumption.

TFSI

Audi TFSI engines attain a particularly high compression rate. The result: outstanding efficiency combined with optimum performance. Substituting supercharging for cubic capacity has the effect of considerably reducing engine size and weight - while performance remains as impressively dynamic as ever. For power delivery that will win you over from the word go.

S tronic

the sporty, efficient dual-clutch transmission that allows you to switch gears at lightning speed without a noticeable break in power.

Audi drive select

the standard Audi drive select lets you adjust the driving characteristics of your Audi A4 to suit your requirements. At the push of a button. Sportier, more comfortable, more balanced, more economical or even tailored to your requirements - you decide.

More power, lower fuel consumption. 2.0 TFSI engines of the latest generation. Powerful performance with reduced emissions. Experience driving dynamics and efficiency with virtually no compromise.

quattro -

enhanced dynamics, traction and safety.

Agility in everyday driving and beyond. Stick to the road. Wherever and whenever you want. With quattro permanent all-wheel drive*. More traction in virtually every situation. Exhilarating dynamics. Thrilling handling characteristics that you won't ever want to lose.

Centre differential

distributes the drive force between the axles as needed.

Wheel-selective torque control

improves driving stability during fast cornering

Modern driver assistance systems - arrive more relaxed and also save fuel.

More comfort, greater safety and reduced fuel consumption. Assured by an intelligent combination of newly-developed assistance systems. The next step towards piloted driving.

Head up display

information relevant to the driver from assistance systems, navigation instructions or warnings is projected as required onto the windscreen in the driver's direct field of vision.

Adaptive cruise control

automatically maintains distance from the vehicle in front in the control range. The system automatically brakes and accelerates to keep the set distance largely constant within 5 optional distance levels.

LED headlights

provides precise, near-daylight illumination of the road; combining LED dipped beam, high beam, daytime running lights, side indicators, and automatic-dynamic headlight range control.

Hold assist

holds the vehicle over an indefinite period of time on the uphill or downhill gradients usual in traffic. The system is activated via push button and allows the driver to drive away smoothly.

Side assist

2 radar sensors detect vehicles approaching from behind at the side and warn the driver by means of an LED display on the relevant exterior mirror of any situations deemed critical for a lane change (e.g. overtaking vehicle in the blind spot).

Parking system, plus

acoustic and visual parking system, front and rear, assists with parking and manoeuvring. Information is shown in the MMI display; measurement is by ultrasonic sensors integrated discreetly in the bumpers.

Interior design -

innovative architecture, sophisticated ambience,
impressive quality.

High-tech, functionality and design. Impressively and harmoniously combined in the interior. Exuding lightness and breadth. High quality materials, sophisticated tactile qualities and precision workmanship. Plus headroom, shoulder room and legroom that ensure a wonderful sense of space. The optional ambient lighting with its range of colours creates an atmosphere of well-being.

Virtual cockpit, real excitement.

Focus on the future of mobility. With the optional Audi virtual cockpit. Fully digital instrument cluster with high-resolution 12.3-inch colour display. A multifunction plus steering wheel with a high level of function and design. 14 buttons, many functions. Plus Audi MMI and MMI display in brilliant colour. Everything under control. Driver-oriented and tailored to you.

A photograph showing the rear passenger area of a car. The seats are upholstered in a light-colored leather with dark stitching. The interior is clean and modern, with a focus on comfort and space. The background shows a blurred view of a building with vertical slats.

Functional interior -
comfortable environment,
generously spacious.

A photograph of the open trunk of a car. The trunk is lined with a dark, textured material and has a silver metal grate floor. A black leather briefcase and a black rolling suitcase are placed inside. The background shows a building with vertical slats and a bright light source on the right side.

The interior concept of the new Audi A4 Sedan and Audi A4 Avant. Well thought-out down to the last detail. From the generous amount of space for all passengers through to the impressive luggage capacity. With optional sensor-controlled luggage compartment lid release. A movement of the foot is all that's required. For fast, convenient loading and unloading. Without having to search for the key.

S Sportiness

distilled.

Sharpened design. Increased performance. Sports car-like dynamism. Equipped standard with quattro permanent all-wheel drive. Amazing speed and agility expected of a typical S: the Audi S4 Sedan and S4 Avant.

Dynamism

made visible.

Exceptional figures that speak for themselves: 354bhp. 500Nm. 0 - 100km/h in 4.7 seconds. A limited top speed of 250km/h. Sports car handling thanks to a sport-tuned suspension. 23mm lower ride height. Experience inspired innovation on the Audi S4 Sedan and S4 Avant.

Enthusiasm

right from the start.

Typical S genetics. Made fascinating. Dynamics radiating at the front with the S-specific radiator grille in Twilight gray with twin-louvres in aluminium. Flanked by striking side air inlets in titanium black with aluminium fins. And black painted brake callipers with S4 logos that show sports car character.

Sporty approach

as standard.

Get in. Buckle up. On the S sport seats with embossed S logo. For excellent lateral support, even during dynamic driving. Driver relevant information is always clearly in view. On the optional Audi virtual cockpit with 12.3 inch colour display in S-specific design. In sport mode, for example, with the tachometer in the centre.

Exterior mirrors in aluminium look

S-specific dual-branch exhaust system in chrome

Optional cast aluminium wheels in 5-spoke V design (S design) and red painted brake callipers

Rear spoiler on the luggage compartment lid for the Audi S4 sedan

Illuminated door sill trims with S logo

Solid paint finishes

Ibis white

Brilliant black

Metallic paint finishes

Glacier white, metallic

Manhattan grey, metallic

Argus brown, metallic

Floret silver, metallic

Monsoon grey, metallic

Moonlight blue, metallic

Cuvée silver, metallic

Gottland green, metallic

Scuba blue, metallic

Mythos black, metallic

Matador red, metallic

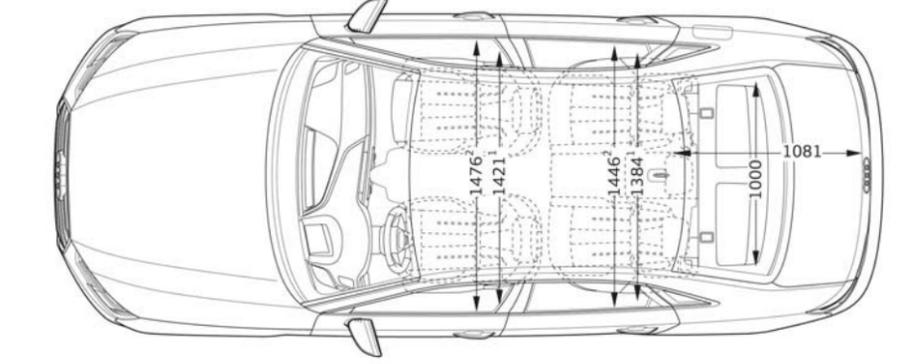

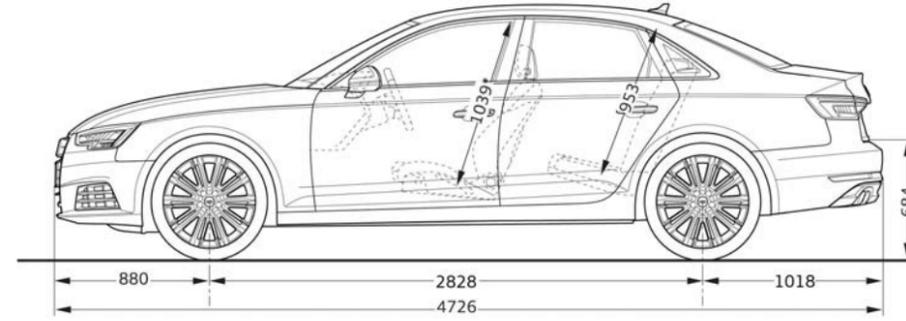

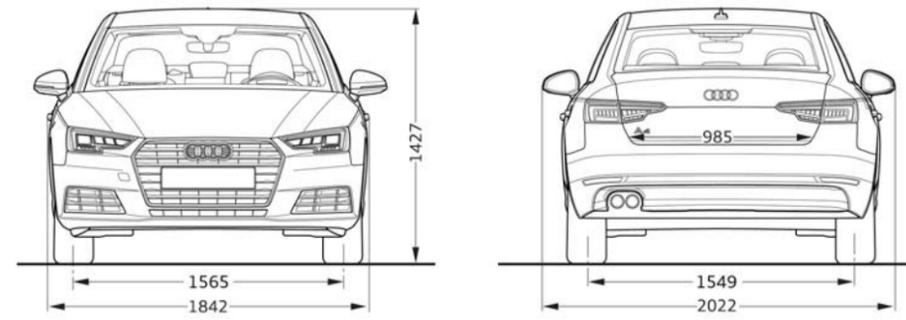

Tango red, metallic

Exclusive paint finishes

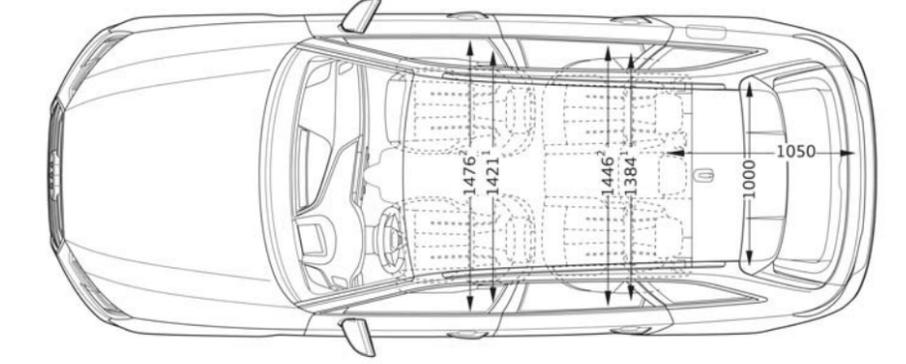

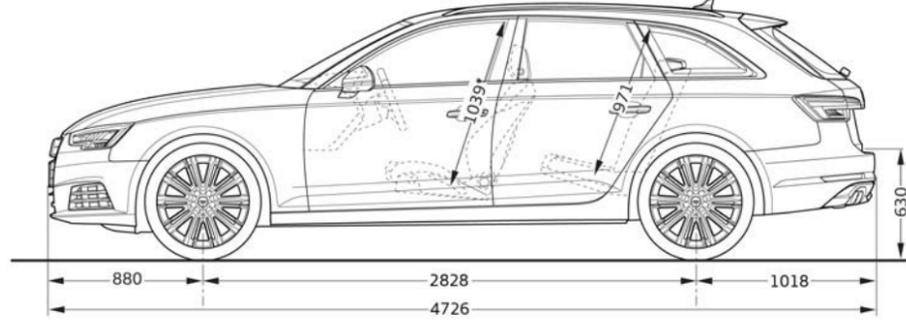

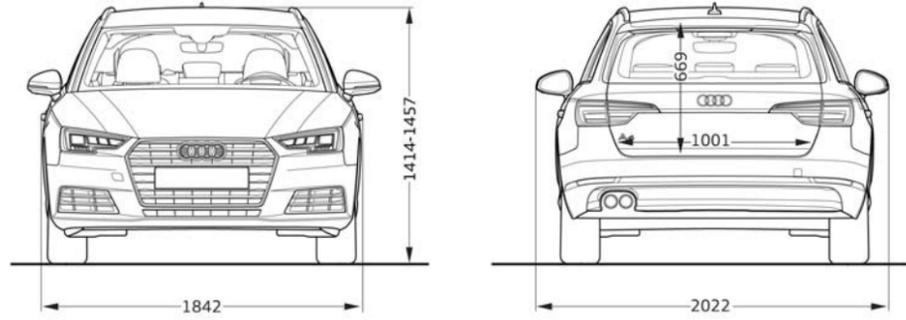

Daytona grey, pearl effect

Audi A4 Sedan

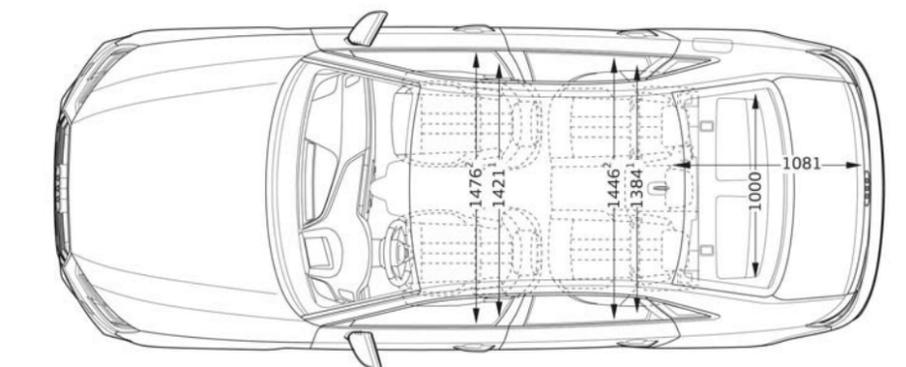

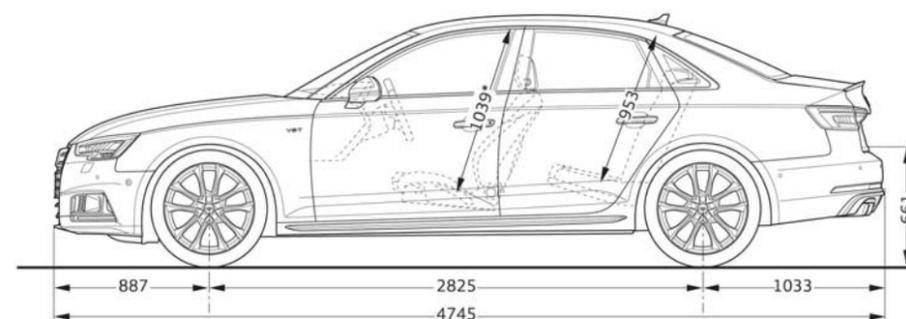

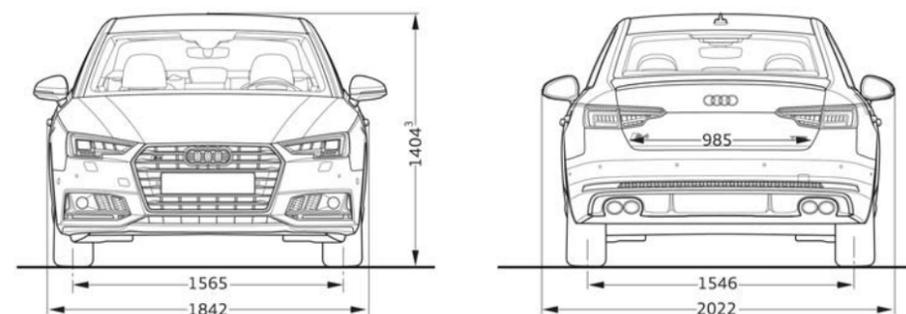

Dimensions in millimetres.
 Dimensions measured with vehicle at unladen weight.
 Luggage compartment volume: 480/965 l (measured by the VDA method using 200 x 100 x 50 mm blocks).
 Turning circle approx. 11.6 m.
 * Maximum headroom. ¹Elbow room width. ²Shoulder room width.

Audi A4 Avant

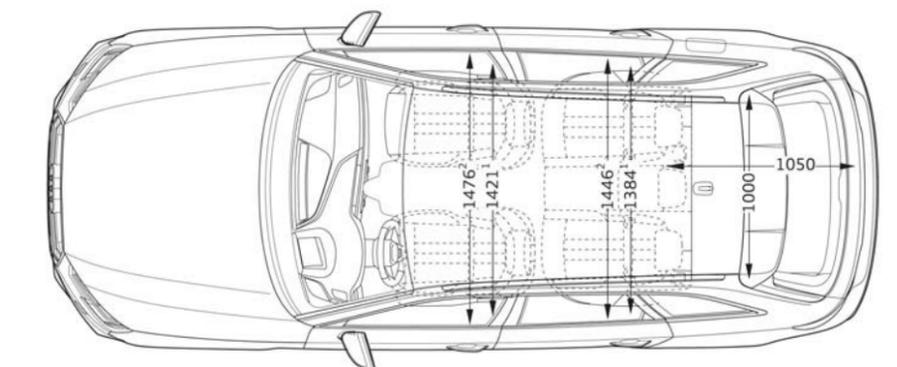

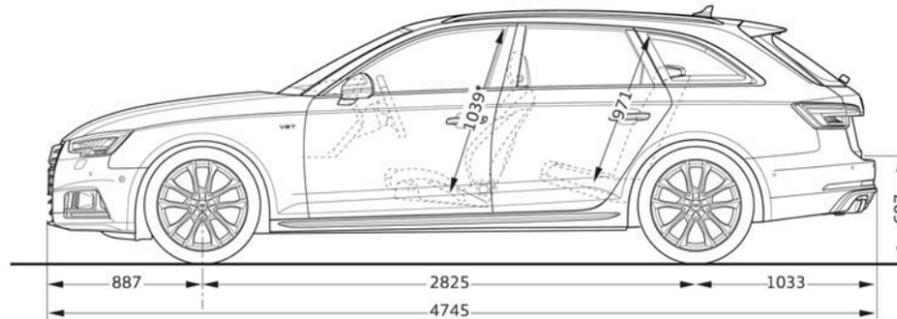

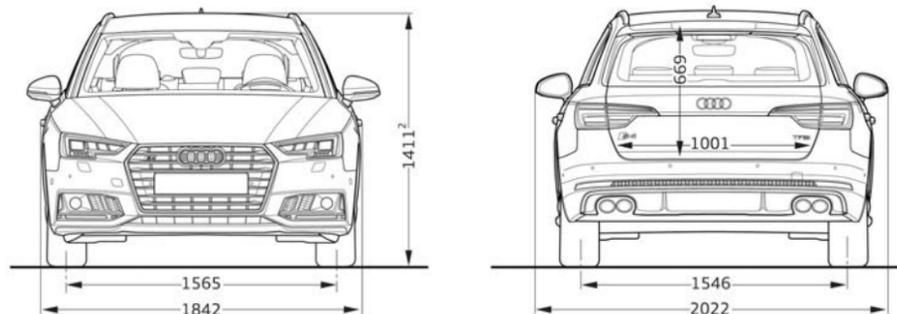

Dimensions in millimetres.
 Dimensions measured with vehicle at unladen weight.
 Luggage compartment volume: 505/1,510 l (measured by the VDA method using 200 x 100 x 50 mm blocks).
 Turning circle approx. 11.6 m.
 * Maximum headroom. ¹Elbow room width. ²Shoulder room width.

Audi S4 Sedan

Dimensions in millimetres.
 Dimensions measured with vehicle at unladen weight.
 Luggage compartment volume: 480/965 l (measured by the VDA method using 200 x 100 x 50 mm blocks).
 Turning circle approx. 11.6 m.
 * Maximum headroom. ¹Elbow room width. ²Shoulder room width.

Audi S4 Avant
